Subject: Fw: NRDC letter about the termination of water to the Dimock people... check this out..

Karen,

I understand you are the lead for the water supply issues related to Marcellus at Dimock. I thought I'd forward this to you.

Rich

please check out this letter with excellent points
about not stopping the water delivery to the people of Dimock
affected by gas drilling.

Can EPA do anything to stop this DEP decision to allow
the water deliveries to cease.?

thanks,
Vera Scroggins
